

Product Information

SCOOTER XP 5W40

Description

SCOOTER XP 5W40 is a high-performance motorcycle engine oil specially formulated to meet the demanding requirements of modern four-stroke engines. Utilizing fully synthetic base oils plus ester and premium additive technology, this engine oil provides exceptional protection, efficiency, and cleanliness, ensuring motorcycle performs at its peak.

Applications

- Designed for use in modern four-stroke motorcycles and scooters, especially those with dry clutch systems that require low friction.

Specifications & Approvals

JASO MB:2023
API SP

Features & Benefits

- **Wear Protection:** Provides superior protection against engine wear, extending engine life.
- **Thermal Stability:** Maintains consistent performance under high-temperature conditions.
- **Corrosion Protection:** Protects engine components from rust and corrosion.
- **Fuel Economy:** Reduces friction and improves engine efficiency for better fuel economy.
- **Cleanliness:** Advanced detergents and dispersants prevent deposits and sludge, keeping the engine clean.

Typical Properties

Properties	Test Method	Typical value
Appearance	Visual	Red clear liquid
Density @15 oC	ASTM D4052	0.8500
Kinematic Viscosity @40 oC	ASTM D445	77.04
Kinematic Viscosity @100 oC	ASTM D445	13.01
Viscosity Index	ASTM D2270	171
Flash Point, COC	ASTM D92	234
Pour Point	ASTM D5950	-36
Total Base Number	ASTM D2896	6.8
Cold Cranking Simulator@-30 oC	ASTM D5293	5,365
